

Sponsor-Your-Teacher!

Sponsored by Student Council and the LMES PTO

As you are likely already aware, each year our teachers update their rooms with new supplies and tools to provide our children with new and creative ways to stimulate learning. Many of the items in the classroom are purchased by the teacher and not reimbursed by the school district. Please help support your teacher by sponsoring his/her classroom.

100% of the money donated here will be given directly to your teacher to help them with classroom expenses!
